SHOW SUMMARY

There are several schools across the nation that are dedicated to educating neurodiverse students; a few of them address life after high school. One such innovative program in Utah is *Scenic View Academy*. This on-campus school creates living and working environments that supports students in developing life skills and executive functioning skills that will help them to live independently as adults.

UNDERSTANDING AUTISM PODCAST

SEASON 2 EPISODE 47: INTERVIEW WITH
LINDSAY WAGNER & AMY FARAONE WITH
THE LEAGUE SCHOOL FOR AUTISM

SHOW SUMMARY

In our second of two episodes focusing on innovative schools that support life after high school for neurodiverse students, we interview Lindsay Wagner and Amy Faraone about the *League School for Autism* in Walpole, Massachusetts. They explain how they prepare students for independent living by helping students build self-advocacy strategies and through their innovative community-based vocational program.
